Professional Career

09/2021	Present	**Version 1**	*Senior Data Engineer*

- Leading functional and technical implementation of Data Warehouses and ETL processes
- Dashboards and widgets creation
- Improving data quality and efficiency

01/2021	07/2021	**Lookiero**	*Senior Data Analyst*

- Working within the Growth department to find insights of user behaviour
- Machine learning algorithms: Logistic Regressions, K-Means, Random Forest
- Act as liaison between business, data scientist and data engineering

01/2018	01/2021	**Mobile Cash Out**	*BI Manager*

- Creation and development of BI / Data Science Department
- Development, Optimisation, Control of tools for CPAs and CR improvement
- Machine learning: Logistic Regressions, K-Means
- Ad-hoc reporting, scorecards and dashboard creations

01/2017	12/2017	**Scarlet**	*BI Manager*

- Functional and technical implementation of Data Warehouse
- Project management of team of 4 people for reporting & analytics
- Ad-hoc reporting, scorecards and dashboard creations
- Machine Learning: Naïve Bayes Classification, Neural Network

09/2016	01/2017	**GlaxoSmithKline**	*Data & Reporting Specialist*

- Functional definition of Data Warehouse for the procurement department
- Ad-hoc reporting and dashboard creations

05/2014	09/2016	**Bayer**	*Senior Data Analyst*

- Project management of 8 people team
- Machine learning: Decision Trees, Naïve Bayes Classification
- Ad-hoc reporting, scorecard and dashboard creation

07/2013	01/2014	**Mckinsey – Risk Dynamics**	*Business Data Analyst*

01/2012	06/2013	**TUI Travel**	*Data Analyst*

Education

04/2016	Unfinished	**Universidad de La Rioja** IT, Statistics and Information Management	*Master Big Data Engineering*
09/2010	12/2011	**Universidad de Deusto** Project management	*Master's in management*
10/2005	06/2009	**Universidad de La Rioja** Economics, Statistics and Econometrics	*Business Administration*
10/1995	05/2007	**Professional Conservatory of La Rioja**	*Violin Studies*

IT Skills

Python	Advanced knowledge	**SQL**	Expert knowledge
AWS	Cloud Practisioner	**R**	Functional knowledge
Excel	Expert knowledge	**Power BI**	Expert knowledge
Git	Functional Knowledge	**Tableau**	Expert knowledge
Azure	Functional knowledge	**MongoDB**	Functional knowledge
SAP	Advance level finance module	**Java**	Basic knowledge

Languages

	Level	Reading	Speaking	Listening	Writing
Spanish	Native	C2	C2	C2	C2
English	Advanced	C2	C1	C1	C1
French	Advanced	C1	C1	C1	C1

According to EU Framework

Skills

- Data Modelling
- Analytical thinking
- Statistics
- Data Visualisation
- Machine learning & Expert Systems
- Big Data
- Communication within IT & Business
- Multitask

Personal Interests

- Sports: Ultimate Frisbee and Swimming
- Board games: playing and designing.
- Video games
- Reading
- Series
- Learning
